

Nursery Schedule

Hello everyone, as you all know we have been thinking of ways to improve our nursery. Starting January 1, 2012 we will be doing things a little differently. We have really grown in this area of ministry and the need to expand and separate birth-2 and 3-5 is necessary for the safety of our children. We have several of our youth willing to take their turn as a helper in the 3-5 year old class. This would be a great service for them and at the same time stretch out our adult help for the two classes. We will have birth-2 in the class next to the nursery now and ages 3-5 where the nursery is. We would really like to have parents sign them in and out on a tablet along with a cell number. I will have a tablet in both classes. We would also ask if the parent could put their cell on vibrate if we need them during the service. Sometime a text seems to go through better than a call, but which ever the parent prefers. I know this may seem a little much but having more children is a good problem and we need to protect them as well as our self if a problem should arise. I know the board is checking on some doors with a one way window???. It would have been nice to have one way in the wall but the walls are full of electric etc. to mess with. Thank you all once again for your help in this ministry, may God truly Bless You! Paula paula.herrell@yahoo.com Ph: 259-3085
